

Kelly Henderson

801-889-9059 futsaldevotee@gmail.com 1118 Fox Crest Dr., Park City 84098

Profile

Intelligent, industrious and creative individual with a strong foundation in object-oriented programming looking for a challenge and to be a part of a dynamic team.

Experience

TEACHER, PARK CITY HIGH SCHOOL; PARK CITY, UTAH – 2015- PRESENT

Developed the Computer Science pathway at Park City High School. I currently teach Programming 1, AP Computer Science A, AP Computer Science Principles, and PCCAPS (Park City Center for Advanced Professional Studies). The pass rate for both of my AP classes is over 90%.

TEACHER, THE MCGILLIS SCHOOL; SALT LAKE CITY, UTAH – 2010-2014

Taught a variety of classes, including elementary lab science, Algebra I, 6th grade science, 6th grade math and 8th grade science. Created lab and project-based curriculum. Projects included everything from building life-sized chairs out of cardboard to catapults.

Education
